September 11, 1980

Mr. Edward T. Sandell,
Deputy Conservation Manager - Mining
U.S. Department of the Interior
Geological Survey
P.O. Box 26124
Albuquerque, New Mexico 87125

Dear Mr. Sandell:

Anaconda Copper Company respectfully submits five (5) copies of our Reclamation Plan, Jackpile-Paguate Uranium Mine, in accordance with 25 CFR 177 and 30 CFR 231. We are including an additional five (5) copies of the Plan for your use or distribution as you desire.

Please contact me or Meade Stirland at 876-2211 regarding any questions on this Plan.

Sincerely,

R.D. Lynn,
General Manager
